

**I stumble and fall.**

**Without a pause, I dust myself off and continue this journey.**

**Fueled by the past that gives birth to this passion.**

**Temptations come and go. Weakness tried its best to overtake my determination.**

**The fire within me guided by the vision of the cosmos is my greatest weapon.**

**As you look at me, you can't miss the purpose in my eyes.**

**These are not some fancy lies, my destination is past the skies. 🚀**
